RE: United States v. Robert Kleehammer
Docket No. CR-19-0597(JS)

Dear Judge Seybert:

This letter is respectfully submitted on behalf of my client Robert Kleehammer, seeking the Court's permission to allow First Light Psychological to provide counsel with a clinical report of Mr. Kleehammer's weekly counseling session which he has been attending for the last seven months. Pursuant to my discussion with both Brian Manganaro of Pre-Trial Services, and Victoria Gonsalves who is treating him at First Light, that in order for them to write and provide a report of their counseling sessions, that a Court Order is required to do so. I seek this report in an attempt to have meaningful plea discussions with the United States Attorney in hopes of reaching a reasonable disposition in this matter. Mr. Kleehammer has already consented to the report being made available to counsel.

Respectfully submitted,

Joseph R. Conway
